Moms' Buzz Editor's Hot Picks - Back to School Edition

Moms' Buzz Editors Hot Picks for this August is a really hot edition because we focused on products for the back to school time that are cool, fun and helpful products for kids and moms too. The products are boiling hot! So, watch out you don't get burned!

BACK TO SCHOOL Hot Picks!

from our Kitchen Cabinet

Lunchology - paper lunch bags that educate!

If you want to kill two birds with one stone when preparing the lunch boxes, use Lunchology paper bags that already have a beautiful and pampering message for your kids printed on the bag, and your child can just toss them away at school when he/she done with lunch (one thing less to remember to bring back from school). Not only these lunch bags are so practical and functional, but they also educate, entertain and inspire with the printed messages they have. A package come with about 24 different bags and 5 themes to choose from such as sports, educational, inspirational, etc. \$4.99 per package at www.lunchology.com.
